

As stated at the HCDC Parent Meeting, all of the groups will have a choreography camp the week of August 13-17. Because we could not work ALL of the groups into the one week, we added a few other days.

We are aware that some private schools will be back in session the week of August 13-17. We have done our best to work around all of the schedules from those schools. There is no way we can accommodate all of the conflicts though. Last year everyone did their very best to attend the majority of their choreography times and a few parents got their children out of school a little early to get to the studio. We were impressed with the effort everyone made and the amount of choreography we were able to get done.

We have guest choreographers coming from as far as Charlotte and Wilmington and all of the ones who work at Hunter's Dance who also drive to Wilson. It took approximately 12 hours to put this schedule together so it would be very difficult to make any changes without affecting several groups and choreographers. Please do your best to attend your scheduled times. Last summer, we were very pleased with the way everyone was able to work it out! We are sending this schedule out much earlier than last year so everyone will have it on their calendars!

We are SO excited about all of the NEW routines for the 2018/19 Season! We will let you know once we choose the Competition Dates and Locations (hopefully by mid September) and the Dance Convention we want to attend (optional to any HCDC dancers).
